**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On October 10, 2022, Vaccinex, Inc. (the “Company”) received a letter from the Listing Qualifications staff of The Nasdaq Stock Market (“Nasdaq”) notifying the Company that it is no longer in compliance with the minimum bid price requirement for continued listing on the Nasdaq Capital Market. Nasdaq Listing Rule 5550(a)(2) requires listed companies to maintain a minimum bid price of \$1.00 per share (the “Minimum Bid Requirement”). The letter noted that the bid price of the Company’s common stock was below \$1.00 for the 30-consecutive business day period from August 26, 2022 through October 7, 2022.

The notification letter has no immediate effect on the Company’s listing on the Nasdaq Capital Market. In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company has 180 days, or until April 10, 2023, to regain compliance with the Minimum Bid Requirement. To regain compliance, the closing bid price of the Company’s common stock must be at least \$1.00 per share for a minimum of 10 consecutive business days.

In the event that the Company does not regain compliance by April 10, 2023, the Company may be eligible for an additional 180 calendar day compliance period. To qualify, the Company would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market with the exception of the Minimum Bid Requirement and provide Nasdaq with written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. However, if it appears to Listing Qualifications staff that the Company will not be able to cure the deficiency, or if the Company does not meet the other listing standards, Nasdaq could provide notice that the Company’s common stock will become subject to delisting. In the event the Company receives notice that its common stock is being delisted, Nasdaq rules permit the Company to appeal any delisting determination by the Nasdaq staff to a Hearings Panel.

There can be no assurance that the Company will be able to regain compliance with the Minimum Bid Requirement or maintain compliance with the other listing requirements.

The Company intends to actively monitor the closing bid price of its common stock and will evaluate available options to regain compliance with the Minimum Bid Requirement.
